

Lilli's Littles Miniature Dolls

Custom Doll Policies and Prices

Thank you for your interest in a custom doll from me. Here are my policies, prices and instructions on how to be put on my custom order wait list:

I request a non-refundable \$250 earnest money/deposit to be placed on the wait list (this will be applied to the total). Please read my following policies and if you agree, please sign at the end of this document and I will be notified. I will then send you a Paypal invoice for the deposit and you will be placed in the wait list.

Prices:

1. The basic charge for a custom porcelain doll is \$700. This includes costume, hair and one or two accessories. This doll will be made from my existing mold collection. Many of the dolls in my gallery on the website reflect my mold collection. Please feel free to browse and email me with questions.
2. Customers that wish to have a doll created that is not in my mold collection, the price is \$900 for which I will sculpt and make a mold for. I retain this mold after creation.
3. Customers that wish to commission a one-of-a-kind doll, which includes the mold used to create the doll, will be charged a base fee of \$1100. The mold will be shipped with the doll upon completion.

Possible add-ons:

1. Additional details such as embroidery, beading or complicated construction that adds more than the usual amount of time will be charged by the hour, at \$30 per hour.
2. If more accessories are desired than one or two that are included with the basic charge, there will be an additional charge of \$30 per hour for construction/creation of these accessories. Accessories include hats, gloves, umbrellas, canes, and various small hand-held accessories or devices.
3. Costume changes: if a costume has already been created on the doll and it is not the desired costume, changes to the costume will be at \$30 per hour.

Production Time:

When your doll is ready to be created, there will be approximately 4-6 weeks necessary for completion. If you have a special sculpt made and mold created, this time is 6-8 weeks completion.

Policies:

1. You have chosen me to make your custom doll based on my style of art and I appreciate your patronage! Your custom doll is based on historical periods, characters, or whatever era you choose, and individually drafted patterns are made for each doll. Materials used include natural fabrics such as fine cottons, silks, netting and specialty fabrics. Shoes, hairstyle, and accessories are part of the costume process and will be custom made just for you. During the initial consultation, details about colors, looks, styles, etc. will be discussed and followed to the best of my ability and complimentary with my creative style.
2. **Please note that my dolls are not made to be posed or made for children.**
3. There is a nonrefundable deposit fee of \$250, which will be applied to the final purchase price. Your deposit ensures your place in my custom queue and though I will give you an estimate as to when I can begin, I will email you when ready and we can then discuss all the details. This is your reservation for one doll only. If you would like more than one doll, another deposit will be required to ensure that additional doll space.
4. You will receive several updates during the process of your doll being created. They are as follows:
 - a. If you have commissioned a special sculpture, you will receive an email showing the sculpture before a mold is made, for your approval.
 - b. An email update will be sent showing a picture of the fired and china painted doll, ready to be dressed.
 - c. Final Update: An email update will be sent with pictures of the dressed doll. Minor changes can be made now. Changes will be charged at \$30 an hour, or part of an hour. Changes are limited to the following options:
 - i. Hair color
 - ii. Accessory change or addition
 - iii. Small costume changes

Your porcelain doll is a long-lasting piece of art and if handled with care, will last for many years. Porcelain and china painting are a rare art and very few dolls are created today using these methods of production and construction. You will own the highest quality doll available and will have an heirloom that you can pass on for generations.

Thank you for your interest, and patronage of Lilli's Littles Miniature Dolls!

***If at any time during the creation process, the doll is no longer wanted, please note the deposit is non-refundable.**

***Payment of balance must be made at completion of doll or agreed upon time, or deposit is forfeited and doll is retained**
